Robocup Ballarat Regional Competition

Last Thursday several of our students in grades 3-6 attended the Robocup Ballarat Regional Competition held at the Earth Ed Centre in Mt Clear. Our students built and programmed robots to compete in Soccer, Dance and Rescue events. We are very proud of all of our students who represented our school at this event.

Enrolments for 2015

We now have limited vacancies across the school for 2015. We encourage new families to enrol ASAP to avoid disappointment. Transition programs for Prep will commence early in Term 4. We thank all families who have enrolled their children at Caledonian Primary School.

Reminder – All students are dismissed at 2:30 this Friday

School Uniform

All student should be correct school uniform every day. If for some reason your child is out of uniform please send a note to the school office. Students out of uniform will not be given a ticket for the spinning wheel at assembly.

Family Feud

Please note this event has been postponed to Term 4.
2014 Swimming Program
The organisation for our Term 4 swimming program is well underway. We ask that you please return the Swim and Survival Academy Emergency Contact Form tomorrow, if you have not already. These forms are required by the Swim & Survival Academy for emergency contact and to determine the number of students in each group attending swimming. If for some reason your child will not be attending swimming, we ask that you please let the office know. A reminder also that swimming permission forms and payment are due the first day back next term.

Caledonian Community Connect News

Caledonian Community Connect News

Tomorrow is Footy Colours Day/Hot Pie Lunch

Delivery of Pie Drive Orders.
We encourage all students to wear their favourite footy team’s colours.
Those students who have placed their order form in to the office for the Hot Pie Lunch will get to enjoy this tomorrow.
Delivery of pie drive orders will also be tomorrow. Orders will be available for collection from the Multi-Purpose Room from 2.00pm

Caledonian Community Connect is committed to adding to, complimenting and providing other enriching activities for the children of Caledonian Primary School. If you would like to be involved we would love to hear from you. Please drop by the office and have a chat with Pam and/or Andrew.

5 Cent Frenzy
We want your small change!
The five cent frenzy challenge was introduced on Friday at assembly. Marvin would like all classes to collect as many 5¢ coins as possible. Each class is to report at assembly and share their progress, some ideas could be the length of the coins in a line, height when stacked, total value or total number of coins. Marvin is encouraging grades to be as creative as possible and demonstrate what great mathematicians they are! All proceeds will go to Developmental Play resources.
Thank you in anticipation.
M. Mathematician and the Numeracy Team

Absences
Just a reminder that if your child is away from school, please phone and let us know why your child is absent and so we can record this information. If your child is going to be absent from school for an extended period of time, (holidays during term, medical etc.) please speak to Andrew or myself. There are special requirements where we have to approve such absences. Thank you.
Geoff Dickson.

Grade 6 Tops for Sale
We have 2 new 2014 grade 6 windcheaters for sale at the school office. Cost: $30 each Size S adult. Please see Pam if you would like to purchase one.
School Concert DVD Order Form
We will be producing a DVD of our concert (yes it will include the staff act). DVDs will be for sale at a cost of $10. If you would like a copy please fill in the order form below and return it to the school by Thursday. Payment is required on collection of the DVD which should be ready next term.

Name: …………………………………………………..
Number of copies required: ……………

DVDs will be available for collection next term.

TRIBES
At Caledonian Primary School students, staff and parents practice the following five agreements:
• Right to Participate/Pass/Return
• Attentive Listening
• Personal Best
• Mutual Respect
• Appreciations / No Put Downs

Students of the Week
Congratulations to the following students of the week who will be presented with their awards at assembly on Friday.

Room 1 Miss Kate – Allirah Brown – for being so amazing at the concert
Room 2 Miss Morrison – Rylan Trigg – for being a great classroom helper
Room 3 Mrs Lawlor/Mrs Polkinghorne – Josh Lancashire – for his great problem solving in Maths
Room 4 Mr Robinson – Vaughan Van Berkel – for his excellent independent writing.
Room 5 Mr Vagg – Georgia Carden – for consistently doing her personal best.
Room 6 Mrs Dent – Brody Lacy – for fantastic effort in class
Room 7 Mr White – Ashlyn Lancashire – for the effort she has put in this week.
Room 8 Ms Giuretto – Teilo Bentley – always focusing on his work
Room 9 Mr Fisher – Cach Russell – for having a positive attitude towards his learning.
Room 11 Mrs Romeril/Mr Tait– Grant Bernard – for always showing great leadership
Room 12 Mr Prockter – Kaelyn Pynn – for helping others with work in class

Art – Ella Harper for applying herself to produce great dough models
LOTE – Grade 5/6 G for their great team work and effort on the Chinese story.
P.E - Jordan Hayes, Liam Carroll & Dylan Mangelsdorf for outstanding efforts playing football for East Ballarat.
A Letter from Marvin

Dear Students,

I know I haven’t seen you in a while, as I’ve been awfully sick! Hopefully I’ll be able to visit everyone in their grades later this week...
Here is a holiday challenge to keep your brains thinking mathematically over the next couple of weeks...

Corners

The aim of corners is to write numbers or equations on each corner of the triangle so that when each corner is added together, the total will be the number in the centre!
To make it extra challenging, try using a different operation in each corner...
Here is a boring solution:

Try to find solutions for these three solutions - prizes for the most mathematically creative solutions!

Please show your solutions to Miss Kate or Mr Robinson in the first week next term!

Have a wonderful holiday

Marvin Mathematician
