Community Connect is proudly supporting students in raising funds for the Australian Red Cross by assisting them to host a Big Cake Bake event on Monday 25\textsuperscript{th} August. Parents will be baking up a storm over the weekend so that we can assist a dedicated group of students to operate a cake stall on Monday at lunch time. Students are encouraged to bring along $1 and they will be able to buy a delicious cake, muffin or cookie.

What a wonderful idea these students have had! We look forward to helping them supporting this great cause!

Caledonian Community Connect is committed to adding to, complimenting and providing other enriching activities for the children of Caledonian Primary School. If you would like to be involved we would love to hear from you. Please drop by the office and have a chat with Pam and/or Andrew.

Grade 3/4 Library Books
The 3/4’s are putting together a classroom library and are looking for a range of books to add to our collection. If you have any books that you no longer need at your house (or friends/other family) we would be happy to find them a new home in our classroom library. Please send them to Mrs Romeril in Pelican Place.

**Children’s Book Week**

**August 16-22**

This year the theme is “Connect to Reading”. The students are encouraged to interview a significant adult in their lives about a favourite book from their childhood. Why was this book a favourite? How did it spark your imagination? Did the book encourage you to read more or write your own? We will be creating a “Book Connection Wall” displaying photos of the adults, the students and the favourite books.
Guitar/Singing Lessons
Earl Leonard is available to teach guitar/singing this term to interested students. Please call Earl on 0411492572 to arrange lessons.

STUDENT CODE OF CONDUCT RECORD
We are reintroducing our monthly Student Code of Conduct Records. Every student will receive a card with a record of their classroom and playground conduct. For new families to the school this year, these records are to highlight positive items that your child has achieved and been rewarded. It is also a record of behaviour/s that may need improvement. When the cards are sent home, we ask that parents view and discuss with their child the information on the record and then sign and return the next day.

Thank you
Geoff Dickson
